A quote from Pope Francis:

"Knowing your enthusiasm for mission, I repeat: mercy always has a youthful face! Because a merciful heart is motivated to move beyond its comfort zone. A merciful heart can go out and meet others; it is ready to embrace everyone. A merciful heart is able to be a place of refuge for those who are without a home or have lost their home; it is able to build a home and a family for those forced to emigrate; it knows the meaning of tenderness and compassion. A merciful heart can share its bread with the hungry and welcome refugees and migrants. To say the word 'mercy' along with you is to speak of opportunity, future, commitment, trust, openness, hospitality, compassion and dreams. But are you able to dream? When the heart is open and able to dream, there is room for mercy, there is room to caress those who suffer, there is room to draw close to those who have no peace of heart or who do not have the bare necessities to live, or who do not have the most beautiful thing of all: the faith. Mercy. Let us together repeat this word: mercy. All of you! And once more, so the whole world can hear you!"
