A quote from Pope Francis:

"How I would wish that we Christians could be as close to the sick as Jesus was, in silence, with a caress, with prayer. Sadly, our society is tainted by the culture of waste, which is the opposite of the culture of acceptance. And the victims of the culture of waste are those who are weakest and most frail; and this is indeed cruel. How beautiful it is instead to see that in this hospital the smallest and most needy are welcomed and cared for. Thank you for this sign of love that you offer us! This is the sign of true civility, human and Christian: to make those who are most disadvantaged the centre of social and political concern."
