The [Season of Creation](#) is officially underway. This ecumenical celebration of God's presence in nature is observed by Christians worldwide, having begun Sept. 1 and culminating on the feast of St. Francis of Assisi, Oct. 4.

In hopes of encouraging mindful engagement with the season, EarthBeat has partnered with young poet [Desiré Findlay](#) to create short meditative videos for praying through themes of ecology and spirituality along the way.

Be sure to follow us on Instagram at [@EarthBeatNCR](#) to access all 10 video reels as they are rolled out one by one throughout the month, and deepen your prayerful experience of the 2022 Season of Creation.
